New Secure Email Message Received from Benefit Strategies

The attached email message contains confidential information from flexdept@benstrat.com at Benefit Strategies. To protect the privacy of the information contained in this message, the contents have been encrypted and embedded in the attached SecureMessage.html file.

If this is the first secure email message you have received from Benefit Strategies, you must complete a short registration process before reading your message. Once you have completed the registration process, select the **Return to Message** button and the contents of your email message will display.

Please note that you must download and save the SecureMessage.html file to your computer before opening it. Once the file has been saved to your computer, it must be opened from its saved location for you to proceed with the registration process, or for you to be able to view its contents.

If you have any questions about this email message, contact secure-mail@benstrat.com.

Thank You,
Benefit Strategies Mail Administrator
